|--------------------------------|---|
| Geometriesatz Körper und Netze |  A collection of colorful geometric solids and their corresponding nets. Visible items include a blue cube, a blue cylinder, a green cone, a red pyramid, a yellow star-shaped net, a green circular net, a yellow hexagonal prism, a red rectangular prism, and a clear glass cube. The solids are arranged on a light-colored surface. |
| Kugel-Geometrie-Steckbaukasten |  A box set of geometric building blocks. The box is labeled 'USL... Ultimate tool for education Vertex ball and rods'. It contains a variety of colorful rods and spheres. Two assembled structures are shown: a rectangular prism and a tetrahedron. The box also features a diagram of a complex polyhedron. |
